

St. Theresa Catholic School

in Memorial Park

Dear St. Theresa Community,

May 20th, 2016

As usual, this year has flown by! Our second school year with a PTO has been full of learning opportunities and successes. The following are a few PTO highlights from the year: our first ever Drug Awareness Week, our first official PTO Fundraiser and we took the first steps towards streamlining the Homeroom Parent process and expenses...but that is just the tip of the iceberg. More importantly, we worked tirelessly to support our school's teachers and administration so they could create the best possible learning environment for our children.

We would like to once again thank Principal Ilski for her support and guidance this year. Without her and Father Phil's leadership nothing we've accomplished this year would've been possible. We would also like to thank all of our PTO Members (parents, guardians, grandparents, aunts, uncles, cousins and extended family), Teachers and Administration who do so much for our children. We could not have provided the support the school needed if it wasn't for your support, financial contributions and volunteerism throughout the year.

Thank you to Vanessa Wollin, 2015-2016 PTO Treasurer, and Megan Ardoin, 2015-2016 PTO Secretary, who were indispensable this last year. Without their hours upon hours of time and efforts, the PTO would not be on the upward path it is on.

Robert, Sandra, Aime, and I are thrilled to be your PTO officers for the coming school year. We know that with your continued help the possibilities for St. Theresa are endless! We count on the generosity of your time, treasures, and talents during the coming year for the good of our community and children and we look forward to serving you to the best of our abilities. If you have any questions, suggestions, would like to chair an event, committee or be a homeroom parent please email any one of us or our shared email inbox at pto@sttheresa.cc.

God bless and have a great summer!
